So, how's Sparky been doing since the, uh...
accident?
Oh, he's just fine!
Sure, it's been difficult, but he still does all the things a normal dog should do.
He eats, barks, plays fetch...

Fetch? But he's paralyzed.
Well that's no excuse!
Neither rain nor sleet nor quadriplegia will keep ol' Sparks from his favorite pastime!

Yo, Sparky! You up for a round of fetch, little buddy?
